

# Health care tops the agenda for New Yorkers.

✓ Top personal worry, by 2:1 margin

Now I'm going to read you some problems you and your family may face. Please listen carefully, then tell me which ONE of these you personally worry about the most?/What ONE issue would you most like state elected officials in New York to do something about?\*

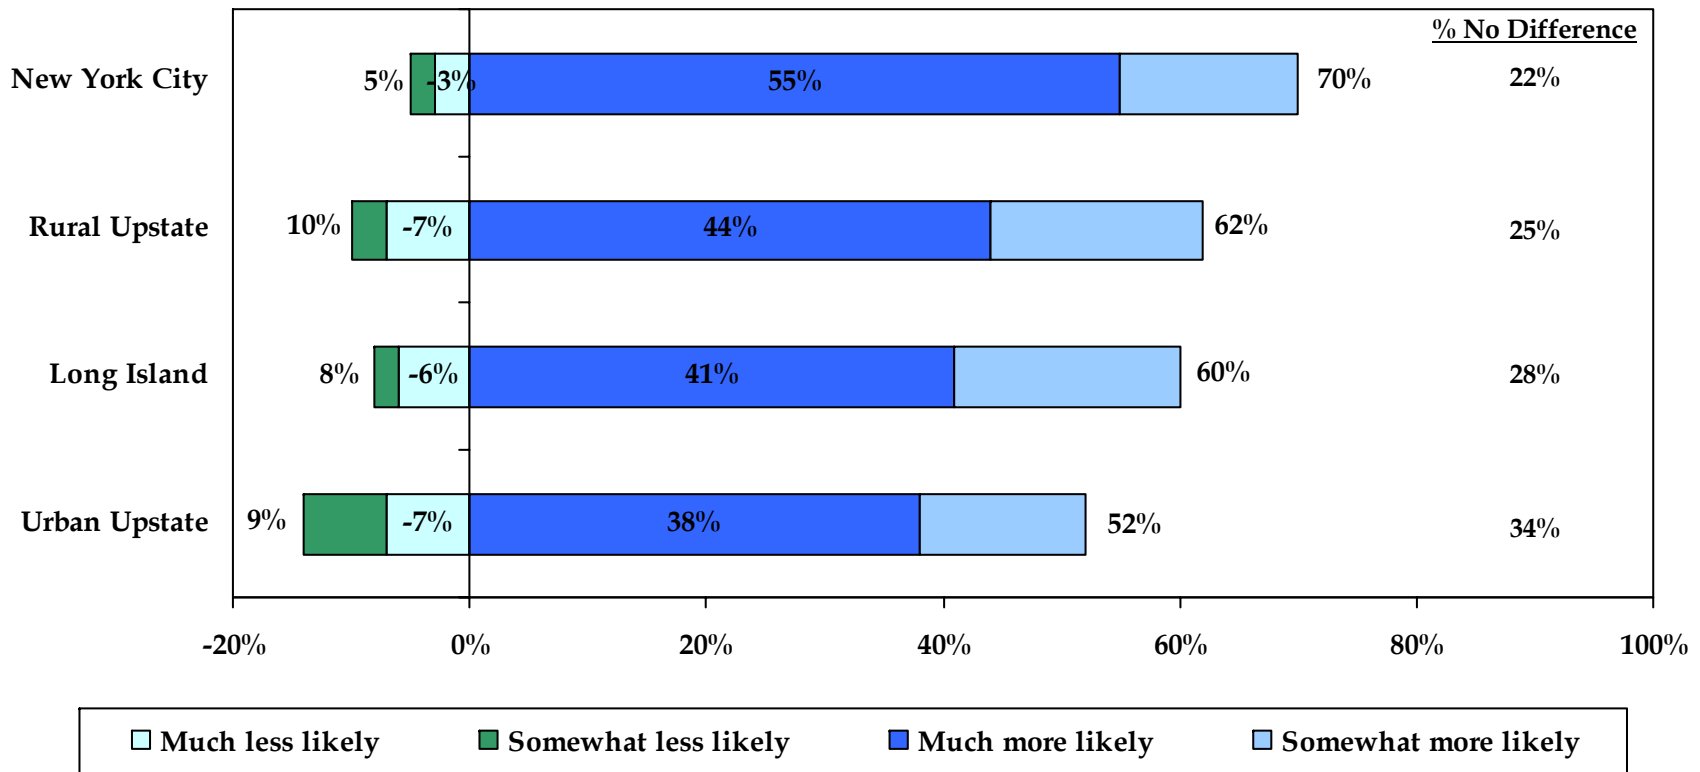

**Across all regions, New Yorkers say their state legislator's support for a statewide health care for all proposal would affect their vote.**

✓ Top priority for elected officials, by 4:1 margin

Would you be more or less likely to vote to re-elect your state legislator if they supported a health care proposal to cover all New York residents or would it not make a difference?

**Overwhelmingly, New Yorkers worry more about no action on access or rising costs than higher taxes and government.**

✓ **No action on access beats taxes, by 3:1 margin**

### Costs

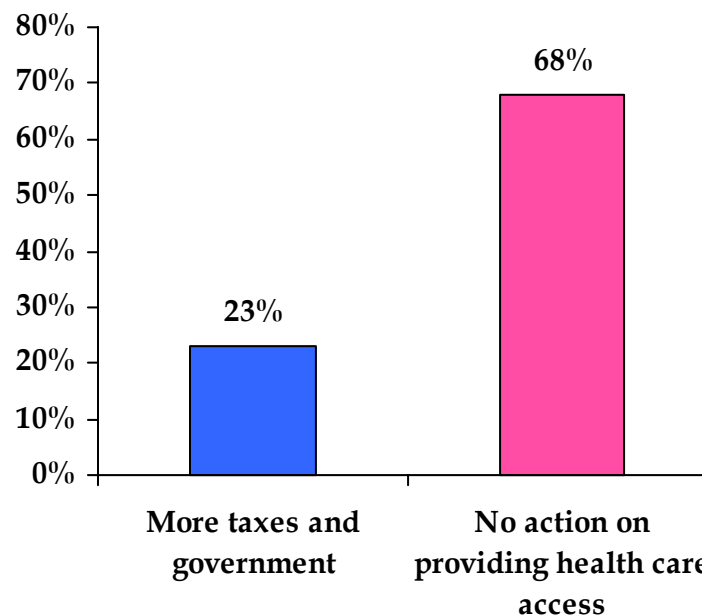

Again, thinking about health care in New York today, which are you more worried about, that health care reform will raise your taxes and create more government control OR that government **will not take any action to rein in rising health care costs?**\*

### Access

Again, thinking about health care in New York today, which are you more worried about, that health care reform will raise your taxes and create more government control OR that government **will not take any action to provide affordable access to health care for everyone?**\*

## New Yorkers forego medical care and prescriptions due to lack of money and insurance.

In the last year, have you or any member of your household not gotten or postponed getting medical care or surgery because of a lack of money or insurance? Needed to fill a prescription but couldn't because of a lack of money or insurance?
